

Thank you for entering our Y2K 2022 open meet. We are looking forward to welcoming you to Fenton Manor Sports Centre.

Accepted entries are now available on the website so please check these and notify us of any errors or omissions as soon as possible.

This year we have opened up our gala to include more young swimmers, giving them an opportunity to compete in perhaps their first open competition. As a result we have a larger number than usual attending this event. Whilst we have sufficient room on the poolside to accommodate the swimmers we do have limited facilities on the spectator balcony.

We appreciate that family members wish to see their swimmers competing and the children enjoy their support. With this in mind we would respectfully ask if you could please limit spectators to one per family. This way we hope that we will not be in the position of having to turn people away and will instead be able to ensure that all swimmers can have one parent there to support them. We would be grateful if you could pass this message onto your club members as a matter of urgency.

Can we also make you aware that there is another major event running in the sport centre on the same weekend. This will result in the communal areas, cafeteria and car park being busier than usual.
